Subject: **Renewed Petition Under 37 CFR 1.81**
Patent Application No. 09/803,889

ATTN: Mr. Steven N. Meyers
Patent Technology Center 3600

Dear Sir:

This is in reference to your letter dated July 22, 2003 regarding my petition to withdraw the holding of abandonment, a copy of which is attached. The basis for our petition is the fact that we did not receive the final office action you sent last November 4, 2002.

Please find attached photocopies of our record book which contains all mails received by our company for the period October 2002 to August 2003. Also enclosed is an affidavit of my secretary, Ms. Cynthia Saludo attesting to the fact that she did not receive any mail from USPTO during the period in question. As I mentioned in my earlier communications, pilferage of incoming mail from the U.S. is quite common in the Philippines, the main reason being the fact that there are millions of Filipino immigrants in the US sending money to their relatives here, some still using the postal system.

I would also like to state that I was in the correspondence address of record at the time the Office communication would have been received.

Please be advised also of the change of my address to the following:

2402 One San Miguel Avenue
San Miguel Ave. cor. Shaw Blvd.
Ortigas Center, Pasig City 1605
Philippines
Tel. (632) 687-1163
Fax: (632) 687-7652
email: hdl@micrologic-systems.com

Thank you and we hope that you will favorably consider our request for withdrawal of abandonment so that will be given a chance to respond to the above-mentioned final office action.

Respectfully yours,

Hilary L. de Leon
